

Radix

bonna

The Radix Collection by Bonna is a collection of porcelain tableware that is both elegant and mysterious. The collection features a root motif on white porcelain, which is a powerful symbol of the natural world. The root is a symbol of growth, strength, and endurance. It is a reminder that even the smallest things can have a profound impact. The root is also a symbol of connection, both to the earth and to each other. This symbolism is not lost on chefs. They understand the power of the natural world to inspire creativity. They know that the root can be a source of inspiration for their own culinary creations.
