

Ground

Sustainable and Eco-Friendly Products

Each piece in the Ground collection offers the perfect combination of simplicity and elegance. These products, blended with gray and cream color tones and standing out with their pure design, offer a natural feeling as if they came from a ceramics workshop. The contrast between matte and glossy surfaces, using by special glazing technique, emphasizes the character and elegance of each piece. The round forms of the collection add an elegant touch to the products, adding a sophisticated and warm atmosphere to the hotels, restaurants and cafes.
