

SOLIDA
by bonná

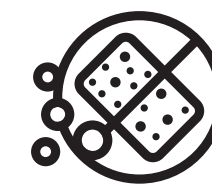

Solida offers the hygiene and durability of stainless steel while providing a natural look with its tumbled design. In addition to its promised durability, this category adds an authentic touch to presentations with its retro look. Its brass handle design enhances the visual appeal of presentations, offering concept hotels and restaurants a wide range of products with various usage alternatives, thereby opening unlimited horizons for chefs.

Product Care

- Before first use, wash the products thoroughly using warm soapy water and a sponge scrubber.
- Although the product is dishwasher safe, we recommend hand washing with warm soapy water after each use to prolong its life.
- We recommend hand washing immediately after use or as soon as possible to remove excess foodstuffs containing salts, acids and oils that can cause corrosion.
- After cleaning, the product should be dried immediately to avoid prolonged contact with water or moisture that may cause corrosion or rust.

Do Not

- Do not use the product directly over heat/flame.
- Do not scrub the old steel surface or brass handle with an abrasive sponge.
- Do not use industrial detergents on the old steel surface or brass handles.
- Do not leave the product wet as permanent water stains may form on the surface.

Please note that brass handles can naturally darken over time.
