

Cresta

Cresta takes the casual dining experience to the top with its strong stance and amorphous edge design. Thanks to its sophisticated design and special vitrified product recipe, the collection offers an aesthetic view that chefs desire, while completely satisfying the premium product quality that businesses need. Designed specifically for restaurants and cafes, Cresta can also be combined in perfect harmony with our Tone collection.

Collection Features and Benefits

- Cresta, which stands out as a more durable and sustainable series thanks to its special vitrified product recipe and single firing technology.
- Cresta, which has a stylish design with two different color tones and a unique form, can be used in harmony with Tone from our collections.
